

Restaurant owners!

Know your customers' taste - and get a bigger piece of their tab!

Squeeze pages only capture a potential client's email. What good is that? [Social Mobi Surveys](#), our next gen, web-enabled, Facebook-ready, cloud-based mobile app, captures extensive information about your target demographics.

Take advantage of our limited-time special offer:

- Normal price \$97.00 - **SPECIAL OFFER** just \$27.00!
- **NO MONTHLY FEE!**

Check out our [demo](#) and learn more.

It's not just another "survey app"...It's a comprehensive Marketing Intelligence Solution!!
